## 6. ACCIDENTAL RELEASE MEASURES

---

### Emergency Procedures

Wear appropriate eye protection if risk of exposure and increase ventilation.

### Clean-up Methods - Small Spillages

If local regulations permit, mop up with plenty of water and run to waste, diluting greatly with running water. Otherwise, absorb with an inert absorbent, transfer to a labelled container and arrange removal by disposals company. Wash site of spillage thoroughly with water.

### Clean-up Methods - Large Spillages

If possible contain the spill using sand or earth and transferred to labelled salvage containers. Dispose of waste according to the applicable local and national regulations. Residues should be treated as for small spillages.

### Environmental Precautions

Avoid discharging large volumes of product into drains or sewage.
